

Reaffirmation of SLA Council Policy

In the past the Sherwood Lake Council adopted a policy governing garage sales in Lake Sherwood Acres. At its regularly scheduled meeting on October 4, 2010, the Lake Sherwood Acres Association Board of Directors reaffirmed its support of the Council's Policy on this matter by unanimously approving the following resolution:

“Garage sales by residents may be held no more than twice per calendar year for the exclusive purpose of disposing of items owned by the resident and not conducted as a business.”
