

**SHERWOOD LAKE ASSOCIATION
LAKE MAINTENANCE REPORT
AUGUST 2017**

The fountain located adjacent to the zz property is not working. CCR Ponds has been notified and should be in our lake this week. At this time all of our other fountains are working properly.

A special note of Thanks to the property owners and or their lawn crews for attempts to bag or blow clippings away from the storm drains which flow into our lake.

We have had several neighbors installing new or repairing their bulkheads. This will help the siltation in the lake.

Aerator Project:

The water depths continue to show improvements and the test will go into next year.

GOALS FOR 2017

1. Encourage Christmas decorations along the bulkheads and streets. **Cazes**
2. Reduce nuisance animal populations. (Ducks, beaver, and nutria). **Hays & Cazes**
3. Sample lake water two times (July and Oct.). **Cazes. (Delayed due to LSU test lab)**
4. Evaluate effectiveness of the pilot aerator. **Cazes & Hayes. On-going.**
5. **Continue efforts to encourage residents to repair and/or install bulkheads. Cazes, Edwards, Hayes**
6. Continue contracting for lake cleaning. **Cazes. On-going.**

Jim Cazes
Lake Chairman
