

**SHERWOOD LAKE ASSOCIATION
LAKE MAINTENANCE REPORT
FEBRUARY 2018**

Three of our fountains are working. The one adjacent to the ZZ property has a ground fault issue and The one adjacent to the Retirement Center has been turned off. The work to replace the bulkhead fence with a new one is completed. The fountain will be returned to service in the next couple of weeks.

We encourage bulkhead replacement or repair if needed. A properly working structure not only adds value to your property, but it keeps your yard from eroding into the lake.

A special note of Thanks to the property owners and or their lawn crews for attempts to bag or blow clippings and now leaves away from the storm drains which flow into our lake.

Aerator Project:

The water depths continue to show improvements and the test will go into next year.

GOALS FOR 2018

1. Encourage Christmas decorations along the bulkheads and streets. **Cazes**
2. Reduce nuisance animal populations. (Ducks, beaver, and nutria). **Hays & Cazes**
3. Sample lake water two times (July and Oct.). **Cazes. (Delayed due to LSU test lab)**
4. Evaluate effectiveness of the pilot aerator. **Cazes & Hayes. On-going.**
5. **Continue efforts to encourage residents to repair and/or install bulkheads. Cazes, Edwards, Hayes**
6. Continue contracting for lake cleaning. **Cazes. On-going.**
7. Check into lake finger cleaning options.

Jim Cazes
Lake Chairman
