

**SHERWOOD LAKE ASSOCIATION  
LAKE MAINTENANCE REPORT  
MARCH 2018**

As of now all five of our fountains are working properly.

We encourage bulkhead replacement or repair if needed. A properly working structure not only adds value to your property, but it keeps your yard from eroding into the lake.

A special note of Thanks to the property owners and or their lawn crews for attempts to bag or blow clippings and now leaves away from the storm drains which flow into our lake.

*We have a couple of our neighbors who are trying to make our lake a little more beautiful.*

*Not only do they scoop out sediment, but they are also removing floating paper and trash.*

*A Tremendous Thank You to these folks.*

Aerator Project:

The water depths continue to show improvements and the test will go into next year.

**GOALS FOR 2018**

1. Encourage Christmas decorations along the bulkheads and streets. **Cazes**
2. Reduce nuisance animal populations. (Ducks, beaver, and nutria). **Hays & Cazes**
3. Sample lake water two times (July and Oct.). **Cazes. (Delayed due to LSU test lab)**
4. Evaluate effectiveness of the pilot aerator. **Cazes & Hayes. On-going.**
5. **Continue efforts to encourage residents to repair and/or install bulkheads. Cazes, Edwards, Hayes**
6. Continue contracting for lake cleaning. **Cazes. On-going.**
7. Check into lake finger cleaning options.

Jim Cazes
