

The ZZ fountain has been turned off until we can get the unit cleaned and straightened up on its foundation. The unit was damaged by heavy rains last month. It will be returned to service by the middle of May

A special note of thanks to the property owners and or their lawn crews for attempts to bag or blow clippings away from the storm drains which flow into our lake.

We have a couple of our neighbors who are trying to make our lake a little more beautiful.

Not only do they scoop out sediment, but they are also removing floating paper and trash.

A tremendous "Thank You" to these folks.

Aerator Project:

The water depths continue to show improvements and the test will go into next year.

GOALS FOR 2018

1. Encourage Christmas decorations along the bulkheads and streets. Cazes
2. Reduce nuisance animal populations. (Ducks, beaver, and nutria). Hays & Cazes
3. Sample lake water two times (July and Oct.). Cazes. (Delayed due to LSU test lab)
4. Evaluate effectiveness of the pilot aerator. Cazes & Hayes. On-going.
5. Continue efforts to encourage residents to repair and/or install bulkheads. Cazes, Edwards, Hayes
6. Continue contracting for lake cleaning. Cazes. On-going.
7. Check into lake finger cleaning options.

Jim Cazes
Lake Chairman
