

Progress Report 03/01/2016

Presented by Tommy Milazzo

- 1.) Potholes – As of 03/01/2016 the recent rains have caused the notice of some pothole forming but not to the point of repair. I will continue to keep an eye on them.
- 2.) Light pole outage / repair - I have notice lights out in Lake Sherwood Ave North and will contact Entergy again. If you know of a street light out near your home please let me know so I can report it. Let me know where it is located and I will mark it so Entergy can find it. You can also report these outages by calling **Entergy's customer care line at 800-368-3749**

We Had 10 light poles out this past month. I contacted Entergy and they came out once but did not get all of the lights. This time I gave the address nearest to light poles and marked them with a red tape. Should be complete the week of March 7<sup>th</sup>.

- 3.) Sidewalks – Please take some time and walk in front of your home. If you have bushes or limbs hanging from your trees, Bushes please have them remove. Being mindful of your surrounds can be one of the best things you can do for your home and neighbor.
- 4.) Home Address- Please make sure that your home address can be seen from the street.

NEW IDEA'S: Mailbox campaign

Time to talk a look at your mailbox. If it is time to repair or replace please contact Tommy Milazzo for more information on cost of a new replacement. **LSA recommends Hart Mailboxes at 13030 Coursey Blvd. [www.hartmailboxes.com](http://www.hartmailboxes.com) 225-756-8277.**

**Happy St. Patty's day,**

Tommy Milazzo
