

LSA Progress Report for June 2017

- 1.) Ongoing campaign for mail boxes. I have seen where you can get the Barcelona type mail box for \$285.00.
- 2.) All sidewalks seem to be in good condition and trees and bushes have been, for the most part, trimmed.
- 3.) Please make sure that your address can be seen from the road. This aids neighbors in finding you home as well as emergency responders.
- 4.) **Attention to all home owners**, if you are planning to have work done on the outside of your home, you must get with the LSA Council *permit department* in the LSA. This permit is granted for work that has been approved by the permit committee. You can also find more information on this and other information at www.lakesherwoodacres.com
- 5.) Its hurricane season and here is a website that takes you to some great information on what to do and disaster strikes <https://www.eatelbusiness.com/disaster-preparedness>
