

October 31, 2013

Dear Resident and Neighbor:

Welcome to Lake Sherwood Acres.

In order to continue with our increased Security efforts, we are asking for your cooperation by placing the enclosed car window decals on the rear passenger side of each vehicle.

We have many outsiders who try to use our facilities, (lake, tennis courts, dock, etc) that we all pay our dues to maintain. As these are private areas for use only by Lake Sherwood residents and their families, this will facilitate the identification of vehicles/residents using them by Board members and Security officers in the course of their patrol of Lake Sherwood Acres. Please remove the decal if you sell your vehicles.

We have enclosed 2 decals and if you need additional decals for your vehicles, please call Don Frattini, 291-5295 or any member of the Welcome Wagon Committee and make arrangements to pick them up at their house.

Boat stickers are available from Dick Hevey. See Lake Rules for more information.

If you have additional questions, please call any of us or send an e-mail. Again, WELCOME!!

Thank you for your anticipated cooperation.

Sincerely,

The Welcome Wagon Committee

Kay Raborn, Chair
4321 Lake Sherwood Ave. East
