

Dear Resident and Neighbor,

Welcome to Lake Sherwood Acres!

In order to continue the success of our neighborhood security efforts, we ask for your cooperation in placing the car window decals on the rear passenger side of each resident vehicle.

There are many non-residents who attempt to use the amenities (lake, tennis courts, pool, etc) that we all pay our dues to maintain. As these are private areas for use ONLY by Lake Sherwood residents and their families and invited guests, the stickers will assist our security officers in identifying who should be allowed access. Two decals are provided in each new resident welcome packet. Decals are also available for boats. Additional decals and answers to your questions about our neighborhood security can be obtained by contacting Security Chair Jim Cazes.

Please remember to remove the decal if you sell your vehicle.

Thank you for your cooperation!

Samantha Montoya, Welcome Chair 225-454-6655 samantha.lakesherwoodacres@gmail.com
